TALKING SHOP

Christmas 2024

STEPHEN SAYS...

Dear Customer,

Welcome to our Christmas edition of Talking Shop!

Well, our Bakers & Confectioners, Butchers and Fishmongers, Delicatessen colleagues, Jempson Kitchen chefs and Produce buyers have all been working hard over the last few months to bring you an outstanding range of Christmas products! There are the traditional favourites (*who can resist a Homemade Mince Pie!*) alongside some new and exciting products to tickle the taste buds. We are focusing hard this year on "something different" and "new things local."

We all would like to thank you again for your support through another year.

This month (*November*), we celebrate our 1st year anniversary of when all our stores moved over to Morrisons supply.

Whilst there have been challenges, the teams do believe that ultimately this was the right strategic move for the business.

Once again, I join with all our Colleagues in thanking you for your support and interest over another year and wish you a very Happy Christmas and New Year.

Stephen & all colleagues in Jempson's stores
